Dropping Off and Collecting Your Child

Please could we remind parents/carers to observe social distancing and to queue at two metre distances when dropping off and collecting their child/ren. We would also be grateful if parents/carers could wear face coverings when at the school gate, and to be considerate of other people's anxieties regarding Covid-19. Thank you for co-operation, and thank you to the majority of parents/carers who are already observing the above.
