

NEWSLETTER 3

12th October 2023

NHS Flu Vaccination for all Pupils 2023

Attached to this newsletter is a copy of the NHS's letter regarding this year's flu vaccination programme (sent out via Parentmail on 6th October).

The Immunisation Service will be in school on Monday 13th November to offer your child the Flu vaccination.

Please complete the online consent form to indicate whether or not you wish your child to have the flu vaccination. Our school's code is SX114489. Please note, access to the consent form will close 4 working days before the vaccination session. Further information is available on the NHS Choices website

9.15am-10.15am

Open Mornings for Children due to Start School in September 2024

There are to be four Open Mornings in November, all starting
at 9.15am for parents/carers to visit the school:

Tuesday 7th November 2023:

Thursday 9th November 2023;

Tuesday 14th November 2023;

Thursday 16th November 2023.

Interested parents/carers are invited to contact the School
Office to make their appointment to come and visit the school on
one of the above days.

Apply for a School Place in September 2024

Do you have a child born between 01.09.19 and 31.08.20? If so,
they are eligible to start school in September 2024. Information
is available for parents to view or download from
www.eastsussex.gov.uk/admissions. Parents can apply for a
school place online by visiting the above mentioned website and
clicking on the 'Starting school for the first time (4+)' tab. If
you have difficulty accessing the website, or need any other
advice regarding the process, please contact the Admissions
team on 0300 330 9472. Applications must be made by 15th
January 2024.

Year 6 Transfer to Secondary School in September 2024

The ESCC online registration website is now open and the closing
date for applications is 31st October 2023.

Tuesday 23rd July

Staff Training/Inset Day.

Please note there is one further Staff Training/Inset Day to be allocated this academic year.

Parent/Teacher Consultations

Parent/Teacher consultations will take place on Monday 16th and Wednesday 18th October 2023 for all classes except Mr Noakes' Class 3RN, whose consultations will take place on Thursday 12th and Monday 16th October. Appointments will take place in school face to face in your child's classroom. You can book your appointments through Parents Evening Manager on Parentmail. If your child is in the POD, please speak to Miss Reeves directly to arrange an appointment. Please note that bookings will close three days before the date of the consultations. If you have any queries with regard to booking appointments, please contact the School Office.

Individual School Photos

Proofs of the photos taken on Monday will be handed out for the children to bring home as soon as they are received by the school. Orders can be placed on-line or by returning the order form and payment to the School Office - further details to follow once the proofs are received.

Harvest Festival

We have received confirmation from Battle Food Bank that a total of 172.14kg of food was donated following our Harvest Festival. Battle Food Bank send their thanks for the generous donations and really appreciate the help that this will give to their clients in these difficult times.

Changes to School Dinner Menu

From Term 2, there will be a new Autumn/Winter school dinner menu (this will be sent out to parents/carers once the school has received details from Chartwells). From Term 2 there will be no packed lunch option. A tomato pasta option will be added to the choice of meals each day.

Ordering Lunch on Parentpay

Please can we remind parents/carers that all meals (whether or not a child is entitled to free school meals) will need to be ordered by 8.30pm on the day via Parentpay. Parents/carers will be able to book meals for the whole week or term.

Years 3 and 4 Mixed Inter School Football Tournament

Congratulations to the 8 Year 4 boys who took part in the Years 3 and 4 mixed inter school football tournament at Sandown Primary School on Thursday 28th September.

The team were undefeated in the group stage, winning 7 matches, drawing 2 and conceding only one goal. They then went on to win 2-0 in the final. This was a brilliant achievement to come first out of the 19 teams which took part.

The week beginning Monday 23rd October is the half term autumn break.

Monday 30th October is a staff training/inset day.

Children return to school on Tuesday 31st October.

BATTLE & LANGTON CHURCH OF ENGLAND PRIMARY SCHOOL

www.battlelangton.e-sussex.sch.uk

Breakfast Club and After School Club Contact Information

Contact details for Breakfast Club and After School Club are below. If you would like to book your child into Breakfast Club or After School Club for the first time, please contact them on the relevant email. If your child already attends the Breakfast Club or After School Club please ensure you complete the booking form which will be sent out via Parentmail each Monday.

breakfast@battlelangton.e-sussex.sch.uk

afterschool@battlelangton.e-sussex.sch.uk

Thank you to the parents/carers for transporting the children to and from the event.

Walking to School Superstars

Week ending 29th September - Walking to School Superstars 4KS.

Week ending 6th October - Walking to School Superstars 4KS.

Design & Technology

Every class takes part in various design & technology projects throughout the year. Specific items and materials need to be purchased for these projects. To help cover the cost and enable your child to bring their finished items home, a voluntary donation of £4.00 per child would be much appreciated. This is a 'one off' payment that will cover the academic year to July 2024. Please pay via Parentpay, if possible. Alternatively children can bring donations in to school in a named envelope and give it to their class teacher or School Office. Thank you.

Battle & Langton PTA

Please see attached poster from PTA with regard to the Smarties Challenge.

Reminders

All Years - Please consent NHS online Flu Vaccination Consent Form.

All Years - Return smarties tubes for PTA Smarties Challenge by Friday 20th October.

Year 6 - Please pay voluntary contribution for trip to Battle Abbey.

Year 6 - Secondary School admission application by 31st October 2023.

Year 5 - Please pay PGL deposit by 31st October 2023.

Parent / Guardian Invitation to Consent for: 2023-2024 School Based Influenza (Flu) Nasal Spray Vaccination Programme

The Influenza nasal spray vaccination is offered annually as part of the national programme for vaccination of children and young people. This academic year the vaccine will be offered to children in all year groups from Reception through to Year 11.

WHY SHOULD I VACCINATE MY CHILD?

Flu is caused by the influenza virus, which children can catch and spread easily.

It can be a very unpleasant illness, which can lead to hospital treatment for serious problems, for example painful ear infections, bronchitis and pneumonia.

Further information is also available on the NHS Choices website www.nhs.uk

PUBLIC HEALTH INFORMATION

Vaccination is one of the most successful Public Health Interventions.

Having the vaccination can reduce the circulation of Influenza protect the wider community, particularly those for whom Influenza poses a serious health risk e.g., babies and older people.

The Influenza season in the UK is from Autumn through to Spring.

IS THE FLU VACCINATION SAFE?

The vaccination is given as a simple, quick, and painless spray into each nostril, it is safe and effective in helping to protect children against flu.

The vaccine has undergone rigorous safety testing before being licenced for use in the UK.

Contained within this letter are some frequently asked questions and useful information about the vaccine, and the virus it protects against.

How do I give consent for this vaccination?

Complete the steps below, before the closing date and time, to consent for your child to have the Influenza nasal spray vaccination.

Your online consent form closes at 11am, 4 working days before your session date, which can be found in the accompanying email from your child's school.

1. Read the vaccination resources provided on the next page, within the frequently asked questions.
2. Click on the following link: www.susseximmunisations.co.uk/Forms/Flu or scan the QR code at the top of this page.
3. Enter and confirm your preferred email address - You will receive a confirmation email following submission of the consent form.
4. Enter your school code **SX114489** and click 'Find School' - School codes are unique to each school and site. Use the code found on this letter, to avoid delays with vaccination.
5. Check the school's name matches the school your child attends: **Battle and Langton CofE Primary School**
6. Parent / Legal Guardian (with Parental Responsibility) to complete and submit the consent form, indicating your choice of consent - Please ensure you provide the child's registered address and GP.

We hope that the information provided helps you to make a positive decision about protecting your child against this potentially serious disease, for which a vaccination is readily available.

If you are unable to complete the online form, do not want your child to have this vaccination, or wish to change your consent, please read the frequently asked questions for how to proceed. Speak to a member of the Immunisation Service by calling your local team, on **01273 696011**.

Brighton Ext 3789 Chichester Ext. 8100 Crawley Ext 2043 Heathfield Ext 2080 Uckfield Ext 4931 Worthing Ext 8533

FREQUENTLY ASKED QUESTIONS

What vaccine is being offered and why?

The Fluenz Tetra nasal spray is the vaccine currently used, it offers protection against four strains of the Influenza virus which are anticipated to be circulating in the UK this winter. These strains may be different from previous years. Therefore, the World Health Organisation recommends annual vaccination. **To read the vaccine Patient Information Leaflet visit:** <https://www.medicines.org.uk/emc/product/3296/pli>

Does the nasal vaccine contain gelatine derived from pigs (porcine gelatine)?

The vaccine does contain a highly processed form of porcine gelatine, to keep it stable and effective. However, the World Health Organisation and Islamic Organisation for Medical Sciences, advised gelatine derived from impure animals has been sufficiently transformed to make it permissible, for use in medicines, including vaccinations.

Your child should not have the nasal spray vaccine if they...

- Are currently wheezy or have been wheezy in the past three days (vaccination should be delayed until at least three days after the wheezing has stopped).
- Are severely asthmatic who have previously required intensive care or are currently (or within the last 14 days) being treated with oral steroids.
- Have a condition that severely weakens their immune system, for example following a bone marrow transplant.
- Have someone in their household severely immunocompromised who needs isolation.
- Have had severe anaphylaxis to egg allergy requiring intensive care treatment.
- Have had severe anaphylaxis to any other components of the vaccine – See Patient Information Leaflet.
- Are receiving Salicylate therapies (other than topical treatment for localized conditions).

If any of the above applies to your child, please contact your local Immunisation Team to discuss vaccination alternatives.

Children who have been vaccinated with the nasal spray should avoid household contact with people who have a severely weakened immune system, for 2 weeks following vaccination (e.g., those who are receiving chemotherapy).

Shedding. What do I need to know?

The virus in the vaccine is live, but it has been weakened so that it cannot cause the illness in healthy people. The amount of virus shed after vaccination is normally below the levels needed to pass on the infection to others and it does not survive for long outside of the body. Unvaccinated children are not at risk of catching flu from the vaccine, either through being in the same room where flu vaccine has been given, or by being in individual contact with recently vaccinated children. This is in contrast to the natural flu infection, which spreads easily during the flu season.

What if my child only has the vaccine in one nostril?

A spray in each nostril is to maximize contact with the cells in the nose. A single spray will induce a sufficient immune response to protect your child.

Information on the flu vaccination programme for:

Parents of Primary school Children

Flu: 5 reasons to get your child vaccinated - Primary School (publishing.service.gov.uk)

Protecting your child against flu: Information for parents and carers (publishing.service.gov.uk)

Parents of Secondary School Children:

Flu: 5 reasons to get your child vaccinated - secondary schools (publishing.service.gov.uk)

Protect yourself against flu: Information for those in secondary school (publishing.service.gov.uk)

What do I do if I cannot complete the online consent form?

Contact your local team in the Immunisation Service on the number provided, and complete a verbal consent with them, **before the closing date and time.**

What do I do if I missed the cut off date and the form is closed?

Your child's school are requested to send reminders out to parents prior to the cut-off date. One working day after the school session visit, you will be able to complete consent and book into a catch-up clinic online. Instructions on how to book an appointment will be emailed to you upon submission of a positive consent form. If you are unable to use the online booking system, please contact your local team on the number provided.

What do I do if I do not want my child to have this vaccination?

To indicate that you do not give consent for this vaccination, please complete the online consent form following the steps in the parent letter and answer 'NO' to the consent question.

What do I do if I have changed my mind after completing an online consent form?

You must phone the Immunisation Service to change your consent in addition to informing your child's school, in writing, prior to the vaccination session date.

What does giving consent for SCFT staff to view my child's Digital Health Record mean?

It enables any SCFT Children's Services staff, who provide care for your child, to see information which has been shared out from the GP and other health organisations records, if they use compatible systems. We cannot view other organisations records without consent, except in exceptional circumstances. Access to your child's health record helps our services to make safe clinical decisions on the most appropriate treatment and care. For further information visit: <https://www.sussexcommunity.nhs.uk/contact-us/patient-records.htm>

How will I know when my child has been vaccinated?

You will receive an email, usually within 24 hours, sent to the address you provide when completing the online form, advising you of the vaccination outcome. If your child was not vaccinated, following submission of a positive consent form, your email will advise of the reason for this and contain details of how to book into a clinic.

HOW TO CONSENT FOR YOUR CHILD TO HAVE THE INFLUENZA NASAL SPRAY VACCINATION

To consent for the Influenza Nasal Spray vaccination, use this link:

[Immunisation Consent \(\[susseximmunisations.co.uk\]\(https://www.susseximmunisations.co.uk/immunisation-consent\)\)](https://www.susseximmunisations.co.uk/immunisation-consent)

Or

IT ASKS QUESTIONS ABOUT YOUR CHILD'S MEDICAL HISTORY.

This information is important. If you are unsure, please check with your GP or red book.

Medical History

Does the child named on this form have any severe allergies?

☐ No

☐ Yes

Does the child named on this form have any existing medical conditions?

☐ No

☐ Yes

If Yes, please give us more information:

Does the child named on this form take any regular medication? (excluding contraceptive medication)

☐ No

☐ Yes

Has the child named on this form received two doses of the MMR vaccine since the age of one?

☐ No

☐ Yes

Is there anything else you think we should know about your child?

☐ No

☐ Yes

Click in the circle next to your answer for each question.

If you answer 'Yes' to any of the questions, this box will pop up...

You need to give more information in this box. i.e. Write the name and details of your child's medical condition.

Click 'Next' to go to the next screen once you have completed the boxes.

Next

THIS IS THE LAST SCREEN (for flu it is the second to last screen).

THE FIRST QUESTION ASKS YOU IF YOU CONSENT FOR VACCINATION.

Consent

I consent to the child named on this form to receive the full HPV vaccination course:

☐ Yes
 ☐ No

If No, please give us more information:

Please choose:

☐ My child has had these vaccinations
☐ I do not feel that the vaccine(s) is necessary
☐ Due to a previous allergic reaction to the vaccine(s)
☐ Other

Full Name (parent/guardian with parental responsibility)

Relationship to child

Please choose...

I consent to the child named on this form Digital Health (e.g. GP) Record being available to be viewed by SCFT staff involved in their care.

☐ Yes
 ☐ No

Click in the circle next to your answer.

If you select 'No' this box will appear

Use the drop-down list to pick a reason.

Click in the circle next to your answer.

Write your name in this box.

Use the drop-down list to tell us who you are. i.e. Mother.

Click 'Submit' to send us your completed form.

**WHEN YOU CLICK THE GREEN SUBMIT BUTTON THIS PAGE WILL APPEAR.
YOU WILL ALSO GET AN EMAIL TELLING YOU A CONSENT FORM HAS BEEN SUBMITTED
FOR YOUR CHILD.**

Thankyou. The consent form was submitted.

If you change your mind or need to tell us about changes to your child's medical history, do not complete another consent form.
Please visit www.susseximmunisations.co.uk/Contact to contact the immunisation team and tell us about any changes.

For more information about vaccinations please visit www.nhs.uk/conditions/vaccinations

Shedding of Influenza vaccine virus, we understand some parents/guardians are worried about the shedding aspect of the vaccination. The vaccine is administered using a nasal applicator which delivers just 0.1ml (around 1/50th of a teaspoon) of fluid into each nostril. No 'mist' of vaccine virus escapes into the air and therefore other people in the room should not be at risk of "catching" the vaccine virus. The room or school in which administration of nasal influenza vaccine has taken place does not require any special cleaning afterwards. In theory, healthcare workers could be exposed to the vaccine virus if it was accidentally released outside of the child's nose, but during the extensive use of the vaccine over many years in the UK and the USA, no transmission of the vaccine virus to healthcare workers has been reported to date. The nasal spray vaccine has a good safety record and unvaccinated contacts are not at risk of catching flu from the vaccine, either through being in the same room where flu vaccine has been given or by being in contact with a recently vaccinated individual. Although vaccinated children are known to shed virus for a few days after vaccination, it is less able to spread from person to person than the natural infection. The amount of virus shed is normally below the levels needed to pass on infection to others and the virus does not survive for long outside of the body. This contrasts with natural flu infection, which spreads easily during the flu season. Excluding children from school during the period when the vaccine is being offered, or in the following weeks, is therefore not considered necessary. The only exception to this would be the tiny number of children who are extremely immunocompromised (for example those who have just had a bone marrow transplant). These children are normally advised not to attend school anyway, because of the much higher risk of being in contact with other infections, including the natural flu infection that spread in schools

Battle and Langton PTA

Smarties Challenge 2023

We would like to introduce ourselves as the PTA and begin fundraising for the year so we can continue to support the school.

As such we would like to give all the children a tube of Smarties this term (Children identified by the school as having allergies will receive an alternative)

In return, we ask that you fill the empty tube with any money you can spare and return it to the school by the 20th of October.

There will be whole class prizes for the classes that return the most tubes in both Key Stage 1 + Reception and Key Stage 2
(Please note empty tubes will not count!)

So, to summarise, the challenge is...

- 1. Eat the Smarties!**
- 2. Fill the tube with any money you can spare**
- 3. Return to your class teacher by the 20th of October**

If your child receives jelly beans and would prefer Smarties (or vice versa), please let us know at battlelangtonpta@gmail.com / +44 7436 048702 and we will provide a replacement.

Battle Baby Group

A group for new parents with babies to pre-walkers.

Thursdays
1pm - 2:30pm
(term time only)

Battle Library
Market Road, Battle TN33 0XB

- Free to attend, just pop in.
- Safe and friendly environment.
- Meet other families in the area while socialising with your child.

Run by our Volunteers.
