SECOND HAND SCHOOL UNIFORM

Due to a lack of space, we are no longer able to store the large amount of second hand school uniform which is donated to us throughout the year. We will continue to keep a few items so that there are spare clothes available as and when needed by children. From time to time we will ask parents/carers for donations of particular items when we are running short.

The PTA have been in touch with local charity shops and The Hospice in the Weald charity shop on the Abbey Green have agreed to take any second hand uniform and they now have a rail in their shop where second hand items can be found. If you do have any donations of uniform in the future we would ask you to take it to this shop if possible. Hopefully this will enable families to know where to look if they are in search of good quality, second hand items of uniform.

We are currently short of PE tracksuit bottoms (all ages) and boys' trousers (KS1). If you have either of these items which are no longer needed, please hand them in to the School Office - thank you.

Have your say on the East Sussex Local Transport Plan

Message from East Sussex County Council.

Consultation 27 November 2023 - 25 February 2024.

We want you to have your say on the future of transport in the County. The draft East Sussex Local Transport Plan 2024 - 2050, sets out how we will plan and provide transport for people taking every day journeys in East Sussex, which include getting to school, work or for leisure, now and in the future. The plan recognises factors that are important for journeys to school such as enabling safer and more accessible journeys, the benefits to health and wellbeing from more active travel, even if this is only for part of your journey or being undertaken on certain days of the week. Many of you will often be combining the school run with other journeys, so undertaking multiple trips, to get to work or for other purposes, so the plan recognises the importance of having a connected transport network.

All you need to do is register your child and print off or save their barcode on your phone. Then turn up and let the volunteers encourage your child round the course whilst you cheer them on or run with them. No one can ever come last as a Tail Walker will always be at the back.
