# Online Safety

## YEAR 6

### **Lesson 1 - We are online safety ambassadors**

Year 6 pupils will be helping to create a set of online safety rules for home and school. They will also be learning about the use of 'Report this' functionality within websites and apps. All children will be asked to work with their grown-ups at home to find examples of websites that include 'Report this' functionality. Please contact the school if you need to arrange access to the internet.'

### **Lesson 2 - We will not share inappropriate images**

Pupils will be learning about the negative consequences of sharing nude selfies. Please watch the following short animation with your children: [www.youtube.com/watch?v=z1n9Jly3CQ8](http://www.youtube.com/watch?v=z1n9Jly3CQ8) , and ask them to explain the consequences of sharing such pictures online. Please contact the school if you need help in accessing the animation.'

### **Lesson 3 - We are safe social networkers**

Children will be learning about social networking sites and the age restrictions for these. Sites such as Facebook, Instagram and Snapchat all have age limits of 13+ so children should not be accessing these. Children will be asked to discuss the key rules for staying safe when using social networking sites with their grown-ups at home. Please contact the school if you have any concerns about children accessing inappropriate social media sites and apps.'

### **Lesson 4 - We are respectful of others**

Pupils will be learning that everyone has a right to privacy online and we must ensure we respect this right. All children will be asked to fill out a family permissions pledge to find out how people in their household feel about being photographed and videoed, and whether they mind if this content is put online. Please support them in completing this task.'

### **Lesson 5 - We are online safety problem solvers**

Children will be developing their confidence in resolving unfamiliar online safety scenarios in preparation for their transition to KS3. All pupils will be asked to pose an online safety scenario to their grown-ups at home to see if they can resolve it. Please support their learning by engaging with the scenario posed.'

### **Lesson 6 - We are safe gaming experts**

Pupils will be researching and preparing an online safety presentation about safe and age appropriate online gaming.
